A big thank you to all the competitors and volunteers that make this such a great event. We had fabulous weather and everyone had great rides.

High Score Awards from Sunday:

Intro: Laura Ann Mount on Major 69.063

Training: Bettina Wagner on Li'Czabeth SCF 73.864 (was also High Score of show)

First: Melissa Worthington on Bonnevie 72.963

Second: Kimberly Blaszak on Gintares 68.659

Third: Anne Ward on Fariseo M 66.923

Fourth: Diane Brandow on AKA Kiley 63.514

FEI: Sandy Hider on Heidi K 61.316

Winner of The Queen Award was Jessica Morgan on Happy Feet 69.444

The Queen Award honoring Donna Young's beloved mare Adel Arikka.

Happy Feet, better known as simply "The Mare or Happy" is a 9 year old registered Westphalian mare. She was awarded The Queen Award at the conclusion of the CDCT Recognized Dressage Show at Chemung County Fairgrounds on Sunday June 12, 2016.

Happy's sire is Trekhaner Licensed Stallion Herzberg. Early in Herzberg's career he competed in both mid level dressage and high level jumping competitions in Germany. In the early 2000's he was brought to the US to compete in the Grand Prix Dressage American Tour. He returned to Germany in 2011 to retire and passed at 21 years old in Germany in 2014.

I imported Happy in March of 2015 from Toronto Canada. We were able to get accustomed to each other for about 2 months before I need to take a medical hiatus. We resumed riding this January in Ocala Florida and have been riding nearly every day. We cross train with a fairly detailed schedule where we jump once a week, fitness training once to twice a week and work in the dressage court the remainder of the week.

Happy and I won her first horse trial in Florida at the Florida Horse Park and recently won her first USEA recognized horse trial in Genesee Valley at the GVRDC Spring Horse Trial earlier this month. She finished on her dressage score on both occasions winning the dressage in her division. I have competed her at two recognized dressage shows at first level and have been pleased with her performance with scores ranging from 64% to 68%. They are my first recognized USDF shows, so I've been a bit nervous about learning tests and managing the shows by myself. I've learned so much just by entering and competing!

In the time that I have ridden Happy she has brought my riding to another level. I am grateful for the opportunity to be riding a talented mare. We have much work to do but I think we are both up to the challenge.

It's humbling to receive an award that has such heartfelt meaning. It will be an honor to carry Donna's lovely mare's memory forward.

Jessica Morgan, DVM

Thanks,

Jessica.

The Queen Award honoring Donna Young's beloved mare Adel Arikka

June 2016 Region 8 News

I believe our show season is in full swing....Weather has been good so far! Fingers crossed! Hence, we are all very busy and this will be a short letter.

I certainly hope you all have started your show season and are well on your way to attending the Regional Championships and then to the US Dressage Finals. As a reminder (and where I may sound like a broken record), the US Dressage Finals is for each Open and Adult Amateur Champion and Reserve Champion to compete head to head with the other regional champions. There is also the wild card where you can go to the finals if you have received a wild card score at the regional championships. IMPORTANT note, please remember you will have to declare that you are willing to go to the 'finals' if invited. This declaration must be done before the first day of our Regional Championships.

On June 1st Participating members received an email from USDF to say that the voting for your PM delegates that will be attending the USDF Convention in December has begun and will be concluded on June 30th. This is very important because these delegates will vote on issues at the Board of Governors and will elect the USDF Vice President and Secretary. In the last few years, Region 8 has had the lowest PM Delegate voting turnout among the regions. So PLEASE go look for that email, go to the USDF website or use this link, <http://www.usdf.org/about/about-usdf/governance/vote/index.asp>, login in to your USDF account and VOTE. This is very important!!!!!!

Sadly in February, Nancy Later had to step down as our Region 8 Chef d'Equipe due to personal things going on for her right now. This is a HUGE loss to the region as she has done a Great Great job for the past 5 plus years. She will remain as Regional Coordinator and hopefully that will not be too much. It took a while to find someone to fill Nancy's shoes and I want everyone to congratulate Jane Karol as our Region 8 Chef d'Equipe for the NAJrYRC. I am so excited that she accepted and I am sure she will do a great job.

Remember we will hold our next regional meeting on October 2, 2016, 11:30am, at the Publick House in Sturbridge, MA. We do like meeting face to face and I hope you can spare the time to make it. However, we have been given the opportunity to use the NEDA conference hub and number for those of you too far so that you can call in. So no excuses! But you will miss the great food at Publick House and the great company!

This it is for now!

See you on the Centerline...

Debra Reinhardt

USDF Region 8 Director

Dr. Richard Card-Clinic, August 20th and 21st.

A clinic with **Dr. Richard Card, DVM in Chiropractics and Traditional Chinese Acupuncture** to be held in August. Dr Card has been in practice for 35 years having graduated from Cornell Vet School. Known for treating animals with emotional and physical issues, he brings a very interesting and unique blend of Acupuncture, Chiropractic, Applied Kinesiology and Functional Neurology to the Equine World. The application of this type of multimodal treatment has been effective in treating both hard to diagnose cases as well as simple muscle pain. Dr. Card provides an exam that includes chiropractic sub-luxation, traditional Chinese Medicine diagnostics and Applied Kinesiology. It's a practical "hands on" technique that he uses to find and evaluate your horse. An information sheet is attached to help inform you of the Dr's. technique and philosophies. Chris Hand spoke of the changes that occurred in her Friesian after she was treated. He not only adjusted the mare, he also spoke to problems that the mare internalized. Some refer to it as balancing the Qi. The changes in the mare have been remarkable. Her movements and attitude dramatically improved. Please read the attached sheet which will further explain his techniques. Chris is looking for participants for the clinic. Dr. Card's charge is \$150 per horse, we need 12 horses to make it worth his trip. The clinic will be held August 20 and 21st. Chris is also looking for a barn in the Ithaca area to host the second day. The first day will be held in Bath.

If you would like further information, please don't hesitate to contact Chris Hand at chrishand2@gmail.com or 607 292-6084. I would also like to hear if you are interested in attending as soon as possible, or by June 10th at the latest.

Chris Hand

Client Information Sheet

By nature of the "prey" instinct, a horse is always seeking physical and emotional balance. A "balanced" horse will have a better attitude, greater endurance, fewer training issues and improved performance.

At the start of the exam, I identify the areas you will also be able to locate on your horse that indicate the imbalances. Although indicators for specific problems, they are not necessarily diagnostic, and may be correlated to other neurological issues. A practical "hands on" technique, I will teach you how to find and evaluate them.

My exam includes Chiropractic subluxation complexes, Traditional Chinese Medicine diagnostics and Applied Kinesiology. My goal is to allow the horse's body to use all facets of its own innate healing power, an alternative drugless method of healthcare. You can expect pain to be removed and normal ranges of motion restored.

Upon completion, a customized graphic of a horse will list the abnormal gait patterns, therapies and scar memories. The graphic's red points label the most active receptors during the exam. These are sources of resting or moving pain.

Health problems arise from the balance of chemical, physical or emotional issues in the body. Animals may develop problems relating to stress, environment, nutrition, conformation, foot or leg issues, rider or handler skill, saddle fit or harness use and performance disciplines. Other influences from organs, vascular or orthopedic issues and toxins may be identified. **I will be eager to refer a patient to an appropriate primary care specialist for additional protocols and/or work-up if necessary.**

If sensors in your car trigger a message on your dashboard, repairs are required and a mechanic needs to reset the computer. Applied Kinesiology enables me to find, evaluate and reset the faulty body sensors. These are **receptor based therapies**. Traditional Chinese Medicine measures an energy, *Qi*, as it flows continuously through twelve channels from one acupuncture point to another. If the *Qi* is not balanced, a blockage in one of the channels may affect other channel functions as well. Chinese **Acupuncture** (needles) or **Tui-na** (massage) **therapies** are very effective in removing these blockages. Chiropractic subluxations are adjusted to restore function not only to the nerves and muscles but also the internal organs. **Chiropractic therapies** will improve the circulation and nerve energy to extremities, The feet actually become warmer, and occasionally a foot may fester causing a lameness. Please have your regular veterinarian or farrier examine and treat it.

If you have ever removed the many layers of paint on an old chair, you know the job can be frustrating. My patients may have patterns that won't be displayed until the primary pattern has completely resolved. Sometimes the primary pattern will return, particularly if it was present for a long time. Sometimes the pain is linked to a totally unrelated area and very hard to identify. Three evaluations are suggested before deciding effectiveness and/or a need for different diagnostics or treatment. Patients recovering from an injury may need more attention. Active performance horses may need extra maintenance, just listen and they will tell you!

These therapies may not produce immediate results and may take several days to be effective. There may even be some initial soreness in previously inactive muscles for a day or two. The body needs to move as part of the therapy, allow the patient to have more freedom than a boxstall. I care a lot about returning a horse to normal balance and performance level. **If within the first week your horse has not shown any improvement or is showing new symptoms, I want to know so that we can evaluate your observations. Responses may be variable, I encourage every owner to contact me with a progress report anytime.**

I applaud your concern for your horse's wellness. I sincerely hope this information has been helpful.

Richard E. Card DVM

Ann Guptill Clinic Report from Tracy Durham

Thanks for joining us for Ann Guptill's Riding to Music clinic. It was good to see you, I am just sorry you were unable to stay the whole afternoon! My clinic write up follows – let me know if I should edit/add anything, thanks😊

Binghamton, NY has been fortunate to host 2 dressage clinics this spring. USA Olympian, Carol Lavell, taught a 2 day clinic at Wildwood Farm Equine Center April 23rd and 24th. Carol helped evolve everyone's understanding of the contact. Her exercises started with her holding the reins from the ground so the riders could have an interactive discussion about the quality of contact and how rein aids should feel. Carol then had riders practice keeping the same feel on the reins while they rode transitions between and within gaits. The lower level horses all showed increased elasticity and acceptance of the aids at the end of their sessions. The upper level horses demonstrated how improved contact allowed trot and canter half passes, canter pirouettes and ½ steps to "dance". I am happy to report Carol has agreed to come back this fall!

On May 14th and 15th, Ann Guptill, "L" judge with distinction, former USET High Performance rider, USDF Instructor Examiner and USDF Musical Freestyle Chair, taught a 2 day clinic focused on riding to music. Ann started the weekend with lunch and a lecture. She provided a lot of information about determining tempo, music selection and competitive guidelines. Ann taught us how to use an old fashioned metronome, and had us experiment with the free metronome apps available for smart phone users. The riders who attended came from varied back grounds – dressage, reining, hunters, pleasure riding and saddle seat. All wanted to learn how finding the correct music for their horses could improve their training, and make riding more fun! We had a wonderful time seeing how certain songs could enhance the horse's movement, while other songs were clearly detrimental. Ann provided a "play list" for each rider, along with the information needed to find more music selections for future use. Ann and I are working on a 3rd Level Musical Freestyle for my new horse; we shared some of the development process for competitive programs. Ann has also agreed to return to Binghamton, schedule to be determined.

My thanks to the riders and auditors who attended both clinics – Carol and Ann thoroughly enjoyed their time with us and look

To the our CDCT membership:

As another dressage show weekend comes to a close; as manager, I'd like to express my thanks to the village that made it happen and articulate our challenge. First the expression of thanks to those who help make this show possible:

- Connie O'Hearn, volunteer coordinator,
 - Andrea Hopkins, Pres and scribe,
 - Karen Steffy web coordinator, ring steward and ribbon guru,
 - Sue Mulvey, newsletter editor and floater,
 - Darleen Callahan, programs,
 - Kathie Garnsey, Lorrie Butcher, Jean Foley, scribes, (my hands ache thinking about it)
 - Chris Hand, Tracey Durham, Kathi Chipman, Tina Matejka, Katherine Potter,
 - new comers Lauren Osterbren and Janice Lobdell
 - and non-members that have supported this show for years, Sally Fox and the wonderful Jane Marshall!
 - Jacqui Richie, our show secretary that keeps me on an even keel,
 - Frank and Marlene Buchel, for the yummy breakfast sandwiches and macaroni and cheese,
- and to Maren Boyko, our rising star photographer!

To our judges, Lisa Schmidt and Amy Gimbel..... so glad I got to know you with our shared passion for this sport, and Joan Fleser, TD and friend from long ago.

We missed you, Ed Machak, Barb Knoblauch and Sandy SU...:(

Most importantly, I want to recognize, once again, the following:

- Kathy Thode, stable manager, sponsorship chair
- Carol Morris, past Pres and over-seer of everything,
- Ginny Grove, the worst 2 jobs I can think of; treasurer and ring set-up,
- Dinah Guarino, wine and cheese party coordinator, volunteer and judge hospitality,

and Anne Ward, the energizer bunny, and provider of awards trailer every year.

All but Ginny, were also competitors, having the added responsibility of horse care giver, rider and everything that goes along with that as well.

That's all good news and wonderful weather also was an added bonus!! I'd also like to congratulate the 14 CDCT members, horse and rider combinations and their continued accomplishments.

Now to the Challenge: we have close to 70 members in the club, all with different likes, talents and needs. The concern I have is the continued limited amount who help before and at the show (31% of our members) and the lack of new members joining the committees for the future. I started this club's show management with the first schooling show held at the

Trumansburg Fairgrounds, (one ring on grass) on May 22, 1983.... Kathy, Ginny, Carol, Dinah, Cathy Z, Sue Begasse and Anne have been the mainstays through the years as well. That is too few and no one is stepping up to learn the ropes. Every well run show operates effectively due to the volunteers who make the show a reality. This means we need more volunteers and we need the “next generation” of volunteers to ensure this show continues and runs smoothly.

Many organizations face this same challenge – a few, of the same volunteers, are the backbone of the organization’s events. Yet this is not a sustainable model for ensuring our show continues to be successful. Additionally, I want to share that 2017 will be my last year as show manager. Given this, we will need someone to shadow me, as manager, next year with the idea that the job will be passed on to a new show manager in 2018.

I would love to hear ideas of how to further engage and gain involvement from the majority. This will also bring fresh ideas and approaches to help us continue to improve.

Respectfully yours,

Donna

CLASSIFIED ADS

Dressage Instructor - Donna Young, USDF Gold, Silver and Bronze Medalist and USDF Certified Instructor. Available for lessons and training in Classical Dressage to dedicated horse lovers, for competition or pleasure. Personally trained three sister Trakehners to Grand Prix, and coached 5 students to Silver Medals, and 5 students to Bronze Medals. Owner/operator of Crooked Creek Farm in Binghamton, NY since 1984. Manager of the Cayuga Dressage & CT annual USEF/USDF recognized Dressage Competition. Contact information: 607-669-4156 or email dyoung@binghamton.edu.

Cynthia Bradley-Mancini
Dressage Instructor

Cynthia Bradley Mancini welcomes new clients in the Central NY region for riding instruction and training in classical dressage. Cindy is a USEF "r" Eventing judge and is a USDF Silver & Bronze Medalist, graduate of the USDF "L" program; she attained her USPC "A" rating, and has taught riding for over 20 years. She has competed successfully through FEI Prix St George. She has also competed successfully through the Preliminary Level of Eventing. She trains regularly with Lauren Sammis International Dressage competitor and Pan American Gold and Silver medalist as well as USDF Gold, Silver & Bronze Medalist. Cindy believes that riding should be a positive, enriching experience for both horse and rider, and she works enthusiastically with novices as well as upper level dressage students. Cindy is happy to travel to students' own farms or boarding barns and can teach on a range of excellent school horses in the Ithaca area.
